Dear Parents and CTC Students:

Starting on Monday, August 28, 2017, **all** CTC buses will start to pick-up and drop-off at Wayne High School from this point on. The reason for the change to Wayne High School is due to the heavy student ridership at Wayne High School and the construction that will start at Titus Elementary.

Buses will depart Wayne High School at 7:20 a.m. and return at 3 p.m. Students that started at Titus Elementary will not be required to purchase a parking pass **this year** for Wayne. The buses pick up in the southwest corner of the parking lot. There is ample parking for students at the same location.

We understand this may cause some inconveniences for some however in order to meet the ridership demands and state requirements, we need to start all CTC transportation at Wayne High School. Our number one goal is always student safety.

Thank You for your understanding.

Respectfully

William J. Peck
