

ANNUAL APPROPRIATIONS MEASURE/BUDGET MODIFICATION AUTHORITY

Appropriations

As permitted by law, at the start of the fiscal year, the Board may pass a temporary appropriations measure to provide for meeting the ordinary expenses of the district until such time as the Board approves the annual appropriations resolution for the year, which is not later than October 1. If by October 1 the county budget commission has not certified all amended certificates of estimated resources to the Board of Education (or submitted a certification that amended certificates are necessary), the Board can delay action on the annual appropriation measure until such time as the certificates are received.

The Treasurer files both the temporary and final appropriations measures at the proper times with the office of the County Auditor.

The Superintendent/designee notifies each school administrator and/or department head of the allocations approved for expenditure.

Budget Modification

Appropriations approved by the Board at the fund level may receive a line item increase as long as there is a corresponding decrease. Any increase in the amount of the appropriation measure or transfers of funds permitted by law from major fund to major fund require Board approval and may require approval from the Court of Common Pleas.

Transfers Among Categories

It is the responsibility of the Superintendent and Treasurer to examine the appropriations categories and make the necessary recommendation to the Board.
