

FUNDING PROPOSALS AND APPLICATIONS

The Board of Education will consider whether to apply for any federal aid for which it is eligible. It charges the administrative staff with the responsibility to evaluate Federally funded programs, including their possible benefits to the students in the school district; apprise the Board of the worth of each; and make recommendations accordingly.

The District will participate to its limit of eligibility in the use of funds provided by the State of Ohio for the educational benefit of its students.
