

PUBLIC DEDICATION OF NEW FACILITIES

The Board recognizes the benefits of providing the public with the opportunity to tour a new building or reconstruction project soon after its occupancy. The touring of a facility is enhanced by a ceremony of dedication, including remarks by the President of the Board, Superintendent, building principal, architect, and others named by the Board. All persons who have had a part in planning, approving, constructing, or making possible a facility should be invited to participate in the ceremony. While the focus of the ceremony is the Board accepting the facility from the contractor, one of the most important functions of the dedication is the expression of appreciation to the taxpayers for providing the necessary funds.
