

STAFF SUPPORT WHEN ASSAULTED IN THE LINE OF DUTY

Any staff member in the act of performing his/her duties as an employee of the Huber Heights City School District and who is assaulted by a student or other person not an employee of Huber Heights City Schools is directed to report the assault to the proper school authorities immediately and is strongly encouraged to report the assault to local law enforcement authorities.

The staff member is to report the assault to his/her immediate supervisor on the day the attack took place, if at all possible, and shall submit a detailed written report as soon as possible. The school district will support the employee and will file the appropriate complaints and charges against the offending party.
