All employees of the Huber Heights City School District are entitled to one "Activity Pass" per year which entitles the recipient to free admission to all Huber Heights City School District-sponsored home athletic events, musical programs, and school plays for one school year. This pass is for the employee only and may not be transferred to or used by another individual.

In order to obtain an "Activity Pass," administrative, cafeteria, and transportation employees should apply through the appropriate administrator. All others should apply through the building principal where they are assigned.
