

MANAGEMENT TEAM

The Huber Heights Board of Education endorses the management team concept for the district. The management team of the district consists of two groups.

Policy Team

The Board, Superintendent, and Treasurer comprise the team. The Board President serves as team leader. Primary responsibilities of this team are to establish policies to guide the district and to ensure that the policies are carried out.

Administrative Team

All administrators within the district comprise this team. The Superintendent serves as team leader. This team is responsible for carrying out the functions of planning, organizing, staffing, implementing, and evaluating guided by the policies established by the policy team and adopted by the Board.

The team approach to management represents an attempt to provide close cooperation and effective working relationships among administrative personnel. It is an effort to make the best use of the talents and expertise available by establishing open lines of communication and by providing a supportive environment in which collaborative problem solving and decision making can take place.

Guidelines for implementing this policy are a primary management team concern. These guidelines include procedures for:

1. Convening the team;
2. Implementing in-service management team training;
3. Establishing team evaluation; and
4. Implementing goals and objectives of the district.
