

ADMINISTRATIVE DISCRETION
IN ABSENCE OF POLICY

If administrative action must be taken within the school district and the Board has provided no guidelines in writing for this action, the superintendent shall have the power to act. The decision may be subject to review by the Board at a Board meeting. The superintendent promptly shall inform the Board of such action and of the need for policy to guide decisions of this nature in the future.

Adopted by Board: May 29, 1980
Amended by Board: October 11, 1990
