

SUPPORT STAFF POSITIONS

All support staff positions are created only with the approval of the Board. It is the Board's intent to maintain a sufficient number of positions to accomplish its goals and objectives.

Before any new position is established, the Superintendent presents for the Board's approval a job description for the position.

Although positions may remain temporarily vacant, or the number of persons holding the same type of position may be reduced in the event of required staff reduction, only the Board abolishes a position which it has created.

The Superintendent keeps all job descriptions current and presents recommended changes to the Board for approval.
