

SUPPORT STAFF SALARY SCHEDULES

The Board develops salary schedules which:

1. adequately provide for the retention of those support staff employees who are rendering satisfactory and efficient service in the school system and
2. provide employees with a financial projection by indicating the salary which may be provided by a salary schedule.

Such schedules take into account the qualifications required, the responsibilities of the position and work experience. Initial placement on the schedule may take into consideration the employee's previous experience.

An employee must serve two-thirds of his/her particular work year in order to qualify for the yearly increment on a salary schedule.

In compliance with law, employees are notified in writing by July 1 of their salaries for the ensuing year.
